ERGO PHONE SEAT

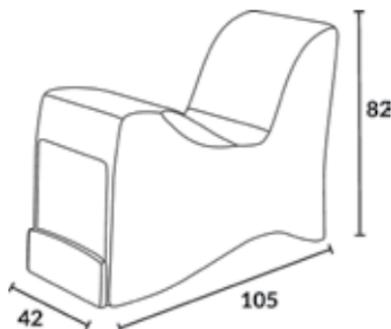

is intended for users of
mobile phones, tablets and
video games players

Seating like on a cloud. Usable for any environment: hotel, airport, classroom, library, sport. Just seat and enjoy.

With this product risk factors for pains in the spine are reduced. This is enabled by the construction that offers support in the lumbar region. EPS is an ergonomically correctly designed seat that adapts to the body and its movement. It supports the lumbar region and the pelvis, enables a relaxed and natural posture.

It is also suitable for people with spine problems and people with disabilities.
