ZIBA ZIBA

Foldable cradle

L

Low-tech, ethno-chic

Ziba Ziba is a modern rocker bassinet made of thin birch plywood. Simple tool-free assembly and flat packaging makes it a great portable baby bed. Its design is contemporary yet it flirts with the tradition, fusing the retro solidity and decorative character with the comfort and functionality of the modern. Ziba Ziba is more than a functional piece of furniture. It has a lifetime value and will be handed over with pride from generation to generation.
