FRUITPLATE DROPLET

Drop, droplet.

Transparent water droplet– life.
Droplets of oil, wine, blood,
colour droplets – food.
Perhaps even a black
droplet, droplet of crude oil /
petroleum– wealth.
And last but not least, a
droplet falling into the ocean,
leaving on the liquid surface
a trace of waves forming a
half rounded shape – infinity,
eternity, spaciousness.
All this and much more is
encased within this droplet
made of glass.
