# The story of directions in green

Wooden coffee table named MEDUSA is a part of The story of Directions in Green. We use only high quality wood from slovenian forests, protected by natural coatings. This is furniture that is transmitted and used from generation to generation.

MEDUSA always looks as if dancing. As if moving. As if being happy all the time. No wonder you may adopt it, as your next perfect pet.

Materials: walnut (table top),  
elm (legs), nature oil/wax coat  
Dimensions: 110 x 110 x 45 cm

Design: Dejan Pfeifer and  
Nadja Pfeifer
